CLOSING EXERCISES OF THE CLASSICAL SCHOOL

On Friday night, the 16th inst., the Pensacola Classical School will hold its closing exercises in the auditorium of the school, ending the most successful season in many respects since the establishment of the institution here five years ago. These exercises are always marked by a simplicity and earnestness characteristic of the spirit of the school.

The graduates on whom diplomas will be conferred as a reward for four years of faithfully performed duty are Miss Marian Avery and Mr. Raymond Zeek. The address to the graduating class will be delivered by Prof. H. Clay Armstrong, principal of the school, and the diplomas awarded, on behalf of the faculty by the Hon. Jno. C. Avery.

This is an event deserving of much more than passing notice. The presence of such a school in the city has a significance that cannot be overestimated. It means an additional moral and intellectual force at work in Pensacola. The public schools have been and are doing an indispensable work, but they need supplementing. Numbers of Pensacola youths have thought it necessary to seek schools elsewhere to obtain instruction and special preparation and attention that no one could insist on having the public schools give. They are over-worked in this as well as in other cities, and need the relief that schools like this give them.

The private secondary school, such as is now here as the result of Mr. Armstrong's labor, is recognized as one of the most powerful factors in the educational world, and statistics show that their influence is growing. They are the great feeders of the college and university. Their very existence depends on the excellence of their work, their attention to the mental and moral needs of their pupils.

There are dozens of young people who would have been obliged to leave Pensacola since the establishment of the Classical School who have been able to find every advantage that formerly was sought away from home. The closing exercises to which the public is cordially invited should be attended by every citizen who wishes to advance the cause of education. This encouragement is due to a good work.

Torture of a Preacher.

The story of the torture of Rev. O. D. Moore, pastor of the Baptist church of Harpersville, N. Y., will interest you. He says: "I suffered agonies, because of a persistent cough, resulting from the grip. I had to sleep sitting up in bed. I tried many remedies, without relief, until I took Dr. King's New Discovery for Consumption, Coughs and Colds, which entirely cured my cough, and saved me from consumption." A grand cure for diseased conditions of Throat and Lungs. At all druggists; price 50c and \$1.00 guaranteed. Trial bottle free.

ROBERTS

Special to The Journal.
Roberts, June 12.—Our high school, No. 5, began last Monday with quite a crowd of intelligent pupils.

Prof. J. M. Tate hasn't used any gallery bitters as yet, although we think this will be very essential during the term.

Mr. J. M. Fleming was home last week with his loving parents, on the sick list.

Mr. Bowman gave an entertainment last Saturday night in honor of his son, Eddie, which was indeed an enjoyable event, although there was considerable excitement during the time they were playing a game they called "The Wild Irishman." The Irishman may have been most too wild.

We are now sure of hearing those wedding bells we referred to on June 1. This will happen at 8:30 p. m. June 14.

A small party went fishing Saturday and caught two, which were probably the largest fish ever brought to our town and one in the crowd who seemed to be somewhat fish hungry, ate both of them and licked his chops for more. We all thought that Dr. Brewton would have to be called in to relieve him. It was estimated that both fish together would weigh possibly 10 ounces.

We are all glad that Mrs. Hamm is still improving.

Rev. W. T. Tracy, of Pensacola, preached to a very enthusiastic audience last Sunday.

We are needing a little rain on our crops now, although they are living and doing as well as could be expected.

A NEW CASE WILL BE TRIED

JACK HOOTON IS AGAIN IN THE PUBLIC EYE.

A new case, and a beauty, too, has just been received at Hooton's Pharmacy, and will be tried immediately, or as soon as it can be placed in position.

It is one of those six-foot plate glass, marble base show cases on rollers, to be used in the vestibule of the pharmacy for displaying some of the numerous articles of trade which this hobby little drug store is putting before the public.

Jack Hooton says his trade is increasing to such an extent that he had to have this new case, and he has also secured the services of Mr. Marion Chatfield, a pharmacist of long experience to assist him.

It is very evident that Hooton's Pharmacy is going to keep at the front.

ARRESTED FOR SELLING LIQUOR WITHOUT LICENSE.

United States Deputy Marshal Wharton yesterday arrested and brought to this city David and George Adams, both white, who are charged with selling liquor without a license. The arrests were made at Holts, where the two men reside.

Both were taken before United States Commissioner Marsh, where they were placed under bonds of \$200 each for their appearance on June 21st for a preliminary hearing.

LAWN PARTY AND MUSICALS THURSDAY NIGHT.

The Ladies' Aid Society of the First Christian church will give a lawn party and musicals Thursday evening, June 15th at the residence of Mrs. W. T. Rogers, 238 West Gadsden street. Admission, 25c, including refreshments. Some of Pensacola's best musical talent will participate and all who attend will be assured a pleasant evening. The public is invited.

Among the medicines for womanly complaints the Bitters has long been recognized as the best. Its 50 years' record proves its value without doubt. Try it for Sleeplessness, Backache, Bloating, Sick Headache, Nervous Spells, Dyspepsia and Indigestion. It always cures.

Malt and Hops

When a high grade of Malt and Hops is properly brewed into beer, it results in the most beneficial beverage known to medical science. Hops are nature's premier nerve restorer; Malt is its equal as a body builder, and the combination is perfected in

AMERICAN QUEEN

We import Bohemia's best Hops, and the world's finest Malt, and here, as elsewhere, our methods are characterized by extreme cleanliness. The malt to be used is put through a thorough, long-draw-out process of mechanical cleansing, which purifies it of every particle of foreign matter and dust, leaving the malt kernels finally as clean and perfect as can be. With due regard for your health, this is a beer you can well afford to drink.

American Queen Beer is sold at all hotels, clubs, cafes, restaurants, etc. Call for it and keep it in your home.
